Information for Applicants

PURPOSE

The Lisa Ramos Bland Scholarship Program was developed to recognize students who have given their time and talent to improve the lives of those who live in Douglas County. The scholarship is to assist students with the cost to continue with their education beyond high school.

HISTORY

The scholarship is given in memory of Lisa Ramos Bland, who was killed by a 16-year old drunk driver on September 16, 2000. She was a mother, a wife, a daughter, an aunt, a sister, a godmother, a sister-in-law, a cousin, a niece, a parishioner, a volunteer, and 18-year employee of the Golf Course Superintendents Association of America. Lisa tirelessly gave of herself to make her community a better place to live, work, play and worship. Although all who knew her mourn her death, we celebrate her life, and in tribute to her spirit, have created a scholarship to help continue her untiring community service and her positive impact on the world around her.

ELIGIBILITY

Students must be:

- a member of a Catholic parish in Douglas County;
- a graduate or graduating senior of a Douglas County high school;
- no older than 21 years of age at the time of application;
- accepted to, or currently enrolled in, a post-secondary learning institution;
- have at a minimum, a 2.0 high school GPA

CRITERIA AND PROCESS FOR SELECTION

Applicants must have demonstrated voluntary community service within Douglas County. In addition, they will be evaluated on the originality of their essay, and letters of recommendation. High academic achievement is not necessary; however, it may be considered if there is a tie between applicants. Financial need is not a factor in the selection.

A six-person committee will review applications, and all decisions will be final. Applicants will be notified by mail of their status by April 30, in the year submitted. All scholarship checks will be made payable to the applicant and his/her educational institution.

AWARD AMOUNT

The annual winner receives a \$500 scholarship, renewable each year for up to four years for a maximum award amount of \$2,000. After the initial award of \$500, in order for the student to continue to receive the remaining \$1,500 over the next three years, he/she must maintain a 2.0 GPA and provide a copy of their most recent transcript to the selection committee by June 15 each year. A student whose GPA drops below a 2.0, may be granted a one-year grace period to restore it to a 2.0 before losing the remainder of the award.

Students must complete and submit the attached application form and supply the following under one cover:

1. Most recent documentation of GPA, either a copy of the grade card from high school attended or a transcript from the college, technical or vocational school.
