The Lisa Ramos Bland Scholarship Program was developed to recognize students who have given their time and talent to improve the lives of those who live in Douglas County. The scholarship is to assist students with the cost to continue with their education beyond high school.

The scholarship is given in memory of Lisa Ramos Bland, who was killed by a 16-year old drunk driver on September 16, 2000. She was a mother, a wife, a daughter, an aunt, a sister, a godmother, a sister-in-law, a cousin, a niece, a parishioner and a volunteer. Lisa tirelessly gave of herself to make her community a better place to live, work, play and worship. Although all who knew her mourn her death, we celebrate her life, and in tribute to her spirit, have created a scholarship to help continue her untiring community service and her positive impact on the world around her.
